

CERTIFICATE OF CONFORMITY

2286/CPR/146/24

Under the European Regulation N° 305/2011 from European Parliament and Council (March 9, 2011) establishing harmonized conditions for the marketing of construction products, has been established that the construction product(s):

STEEL COMPONENTS FOR METALLIC STRUCTURES

TRANSFORMADOS

METALURGICOS TUBULARES, S.L

C/ Jordi Camp, 122, 08403, Granollers, Barcelona, España

Made in:

C/ Jordi Camp, 122, 08403, Granollers, Barcelona, España

It is submitted by the manufacturer to a factory production control and an initial type test, and that the ICDQ notified body has carried out the initial inspection of the factory and the factory production control and carries out surveillance, evaluation and permanent authorization of factory production control. This certificate indicates that all provisions relating to conformity assessment of the harmonized standards mentioned in the scope have been applied.

This certificate remains in force as long as the conditions established in the harmonized standards included in the scope, the factory production control system, the product and the manufacturing conditions do not change significantly.

This certificate will be updated annually once the surveillance inspection, evaluation and permanent authorization of the factory production control have been carried out.

Date of initial certification: 29/12/2023

The annual surveillance audit must be carried out before: 29/12/2024

ICDQ INSTITUTO DE CERTIFICACION, S.L.

Director

The certificate and its annex identified with the same conformity number are not valid if they are not presented together.

To obtain any additional clarification regarding the scope and validity of this certificate as well as the applicability of the requirements of the standard, you can consult the Certification Entity or send an email a info@icdq.es.
